

# **Shootin' Gallery**

## **Assembly Instructions**

1. Select a level area to operate game with plenty of room to allow for a line to form. Keep a safe distance (at least fifteen feet clearance on all sides) between player and spectators.
2. Assemble framework, per sketch. Note that the eight longer pieces of tubing are used to form the sides (2 per side) while the four shorter crimped pieces are to be used to create the base. Be sure to tighten down the fittings using the small bolts on them.
3. Attach canvas to the framework using the Velcro straps.
4. If using game outdoors, it is strongly suggested that you use the stakes provided on either side of the bottom supports. Use sandbags on pavement. In a breeze, use sandbags with the stakes.
5. Never fold up canvas wet. Always allow to **dry thoroughly** first.

## **Safety Instructions**

1. **NEVER ALLOW A PLAYER TO POINT THE CROSSBOW AT OR SHOOT ANOTHER PERSON OR ANIMAL. (Darts may cause serious eye injury.)**
2. When a player is shooting, make sure nothing is in the string's path such as hair or fingers and nothing can be struck as the limb tips go forward during the shot.
3. **NEVER LEAVE CROSSBOW UNATTENDED.**
4. Keep spectators clear from the sides and back of canvas to prevent them from being struck by a deflected dart or errant shot. (Inexperienced players may miss the canvas entirely.)
5. Use only the special Velcro Safety Darts included with the game. Never use another type of projectile for the safety of player & spectators and maintenance of the canvas.
6. Game operator must review the shooting guidelines with inexperienced players. If the operator determines a player is shooting in a dangerous manner, they must immediately stop their turn.
7. The operator should remove the crossbow from the player before approaching the canvas to remove the darts.
8. **NEVER USE THE GAME IN STRONG WINDS OR LIGHTNING!!**
9. Use caution when setting up or taking down the game. Once the bolts are loosened the sections of tubing can come apart and fall down causing injury.

Parts List	
DESCRIPTION	QUANTITY
Painted Canvas	1
"4-way" Fittings	2
"Elbow" Fittings	2
41" Tubing	8
37" Crimped Tubing	4
Stakes	4
